COVID-19 Travel Help Center
Auto Travel Updates

Please follow the links below for the most up to date information on auto travel.

- Click here for info on the TripTik Print-A-Home option
- Click here to browse AAA’s Digital Travel Guides
- Click here to download, print and share maps for U.S. cities and Canadian provinces, cruise terminals and national parks. Includes key points of interest, rest stops, airports, attractions and more.

Current information on Roadway Travel Checkpoints, Border Crossing Closures and other COVID-19 Travel Restrictions

- Visit the AAA COVID-19 Travel Restrictions interactive map website. This site can also be viewed on any AAA Mobile device.

Rest Area Updates

- There are reports of some "State-Owned" Rest Areas closing along the interstates. For Rest Area information, please visit the U.S. Department of Transportation website and select the appropriate state. Drill down to the DOT website and search for "Alerts," or select the 511 system if available. (e.g. FL511Alerts In Tampa - The northbound I-75 rest area in southern Hillsborough County at mile marker 238 is closed.)
- FDOT Turnpike Enterprise will process all vehicles electronically through Toll-by-Plate, click here for more info.
- For information on gas prices, please click here.

Popular Destination Road Closures
Florida

- The Florida Keys are closed to limit the spread of COVID-19. Only residents, property owners, and those actively involved in work in the Florida Keys will be admitted, including fuel tankers, delivery, and grocery trucks. For updates, please call 511 or 866-374-FDOT (3368) or FL511Alerts.
North Carolina

- The Outer Banks is closed to non-residents to limit the spread of COVID-19. Visitors will not be allowed to travel through Dare County to access Currituck, Hyde, or Tyrrell counties. People who reside, own property or work in these areas may enter. For updates, please call 511 or 877-511-4662 or visit this website.

- The Blue Ridge Parkway is closed from Milepost 455-469 to limit the spread of COVID-19. This is the southern-most section of the Parkway. All restrooms for the entire length of the Blue Ridge Parkway are closed as well as most visitor services. For updates, please call 828-298-0398 or visit this site for more information.

- Many National Park facilities are closed due to the COVID-19 outbreak. This is a rapidly changing situation and travelers should check with National Park websites for specific information. To find a specific park, click here or for general park information click here. For Parks Canada click here as visitor services are suspended until further notice. Motor vehicle access is suspended except for residents, commercial, and truck traffic.
